

APOGEE HEALTH PARTNERS

Network **UPDATES** – May 2019

HEALTH PLAN CHANGES:

CountyCare issued a "Primary Care Provider Policy Update" stating the following:

MedImpact became the new pharmacy benefit manager ("PBM") for CountyCare effective April 1, 2019.

CountyCare members received new Member ID cards with MedImpact listed.

CountyCare members were also informed they must see the Primary Care Provider ("PCP") they are assigned to for services.

Beginning in late summer of 2019, CountyCare will only pay claims to the PCP on the Member ID card. Your CountyCare Members will need to call CountyCare directly or complete the CountyCare PCP Change Form if you are not the PCP listed on their Member ID card.

HEDIS QUALITY MEASURES:

Easy Opportunity to Capture a HEDIS Quality Measure:

During the patient E&M visit, enter the appropriate **BMI Diagnosis code** (secondary or greater) in the EMR and/or on the patient superbill/encounter for billing to the insurance payer.
